*All my life's a circle . . .*

*Sunrise and Sundown,*

*The moon rolls through the night time*

*'Till the daybreak comes around.*

*All my life's  
a circle,*

*But I can't tell  
you why.*

*The seasons spinning*

*'round again,*

*The years keep*

*rolling by.*

*It seems like I've been here before,*  
*But I can't remember when.*

*And I've got  
this funny feeling*

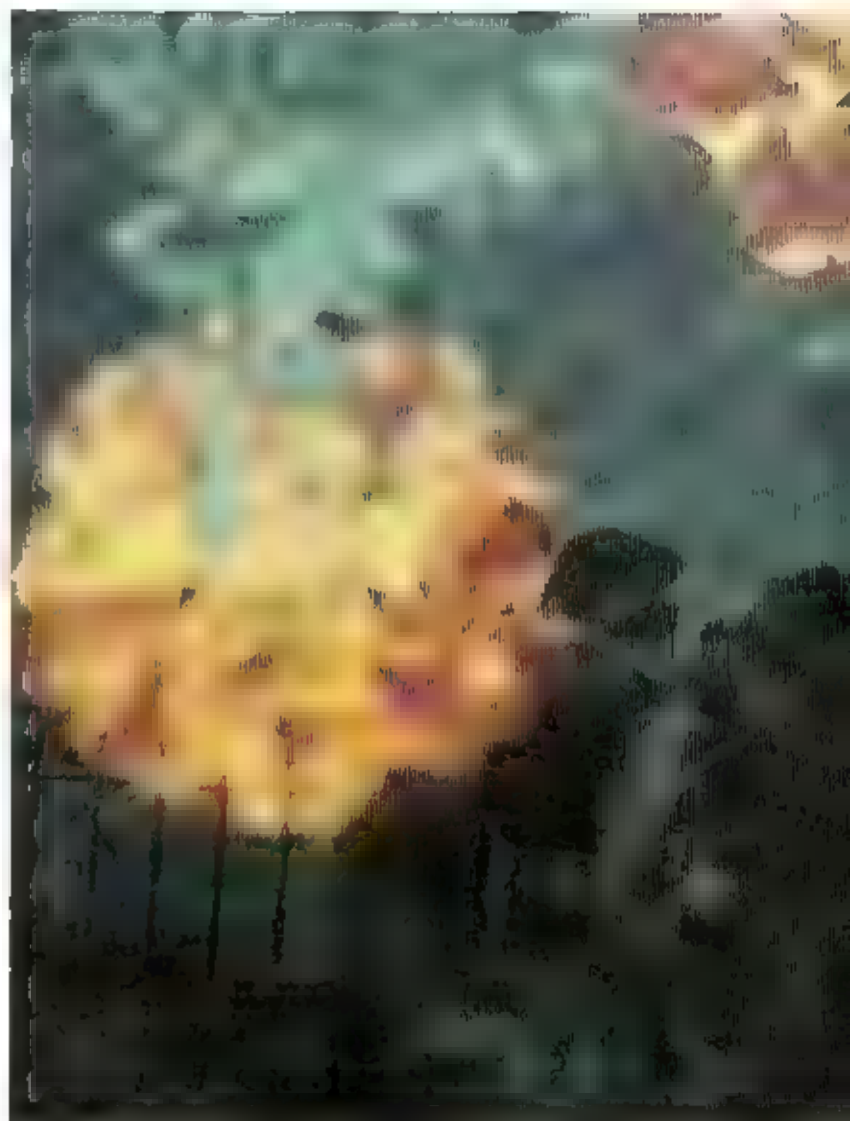

*That we'll all be  
together again.*

*There's no*

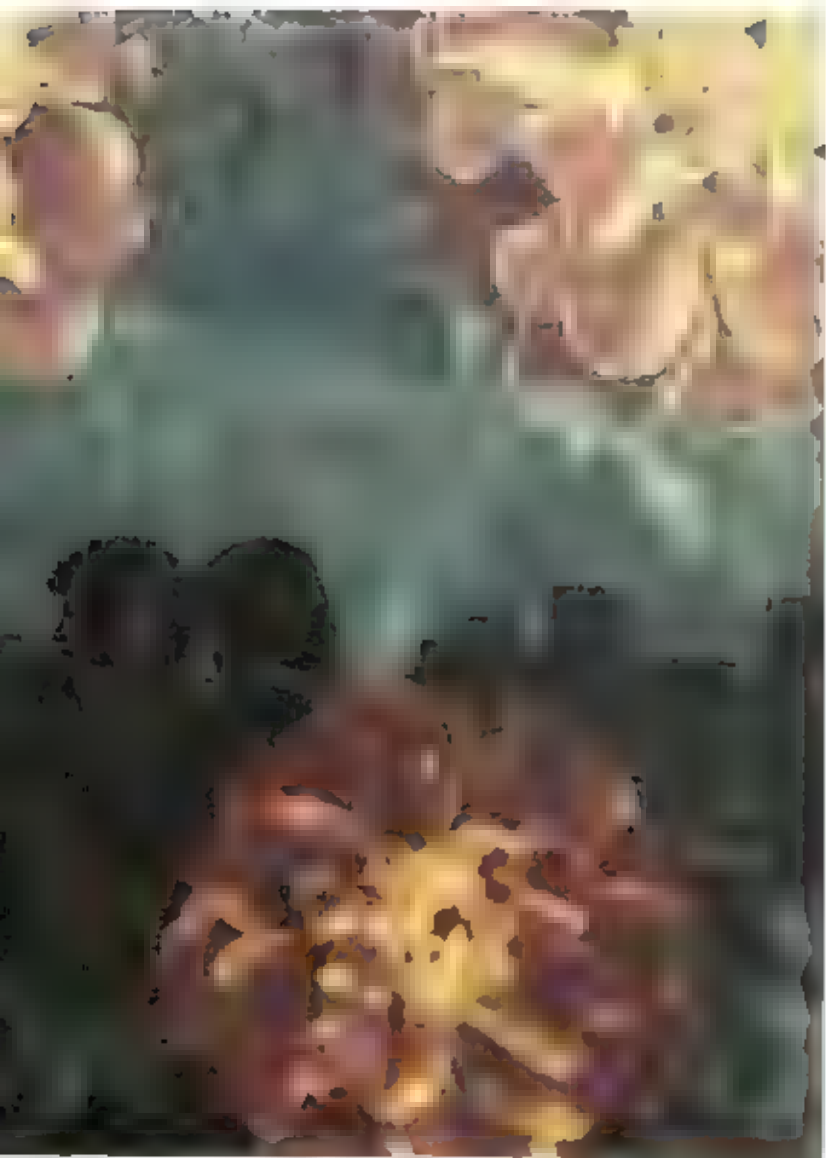

*Making up*

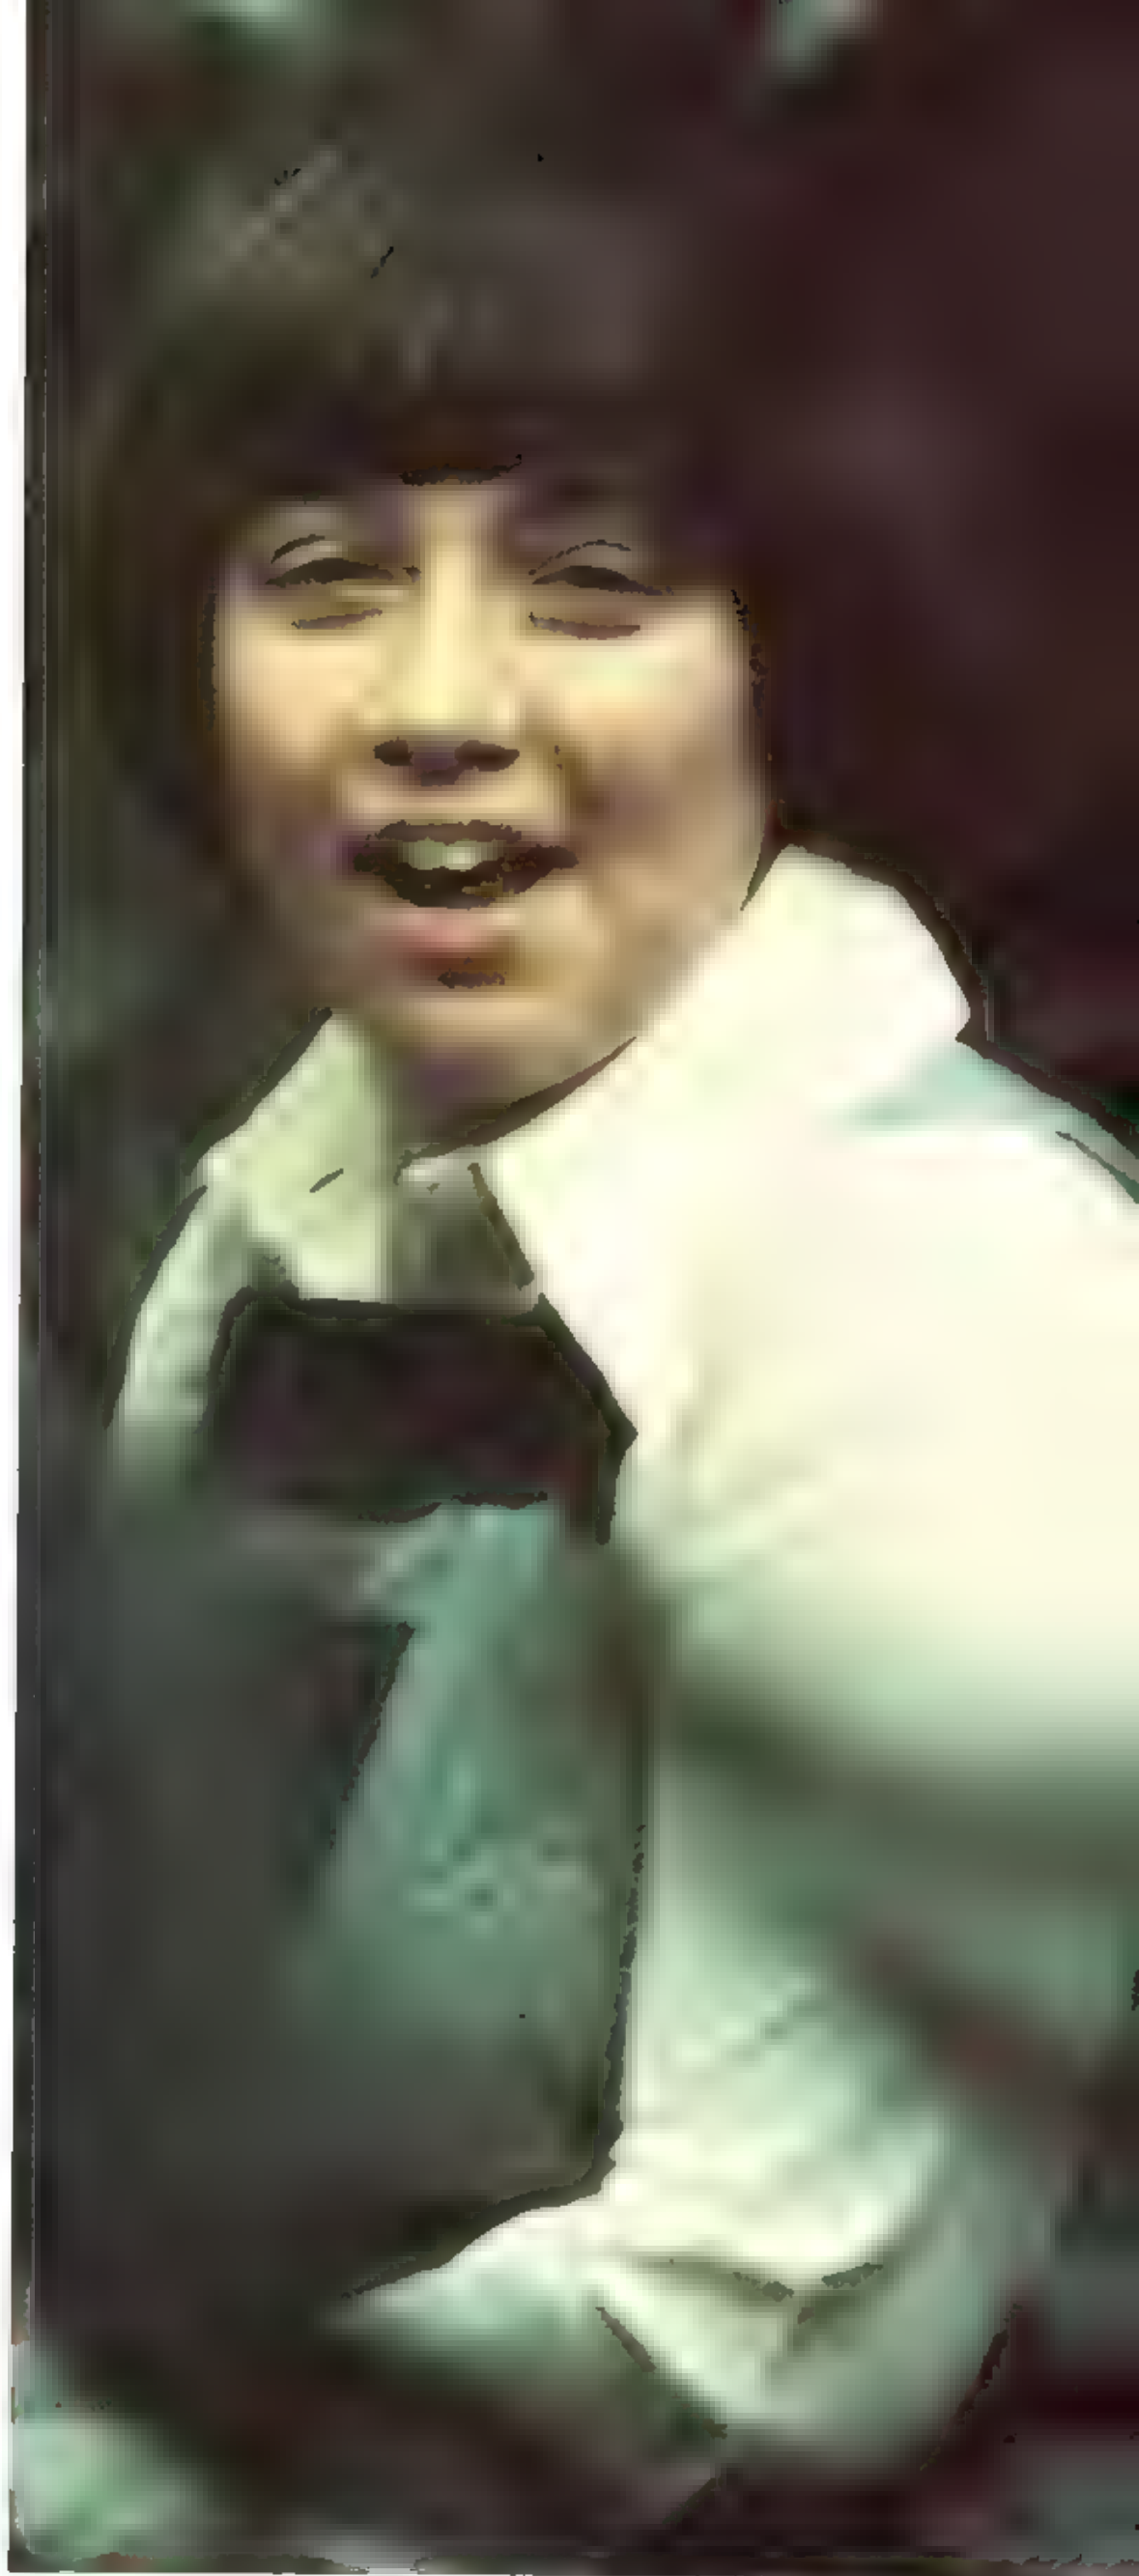

*And all my*

*straight lines*

*my life,*

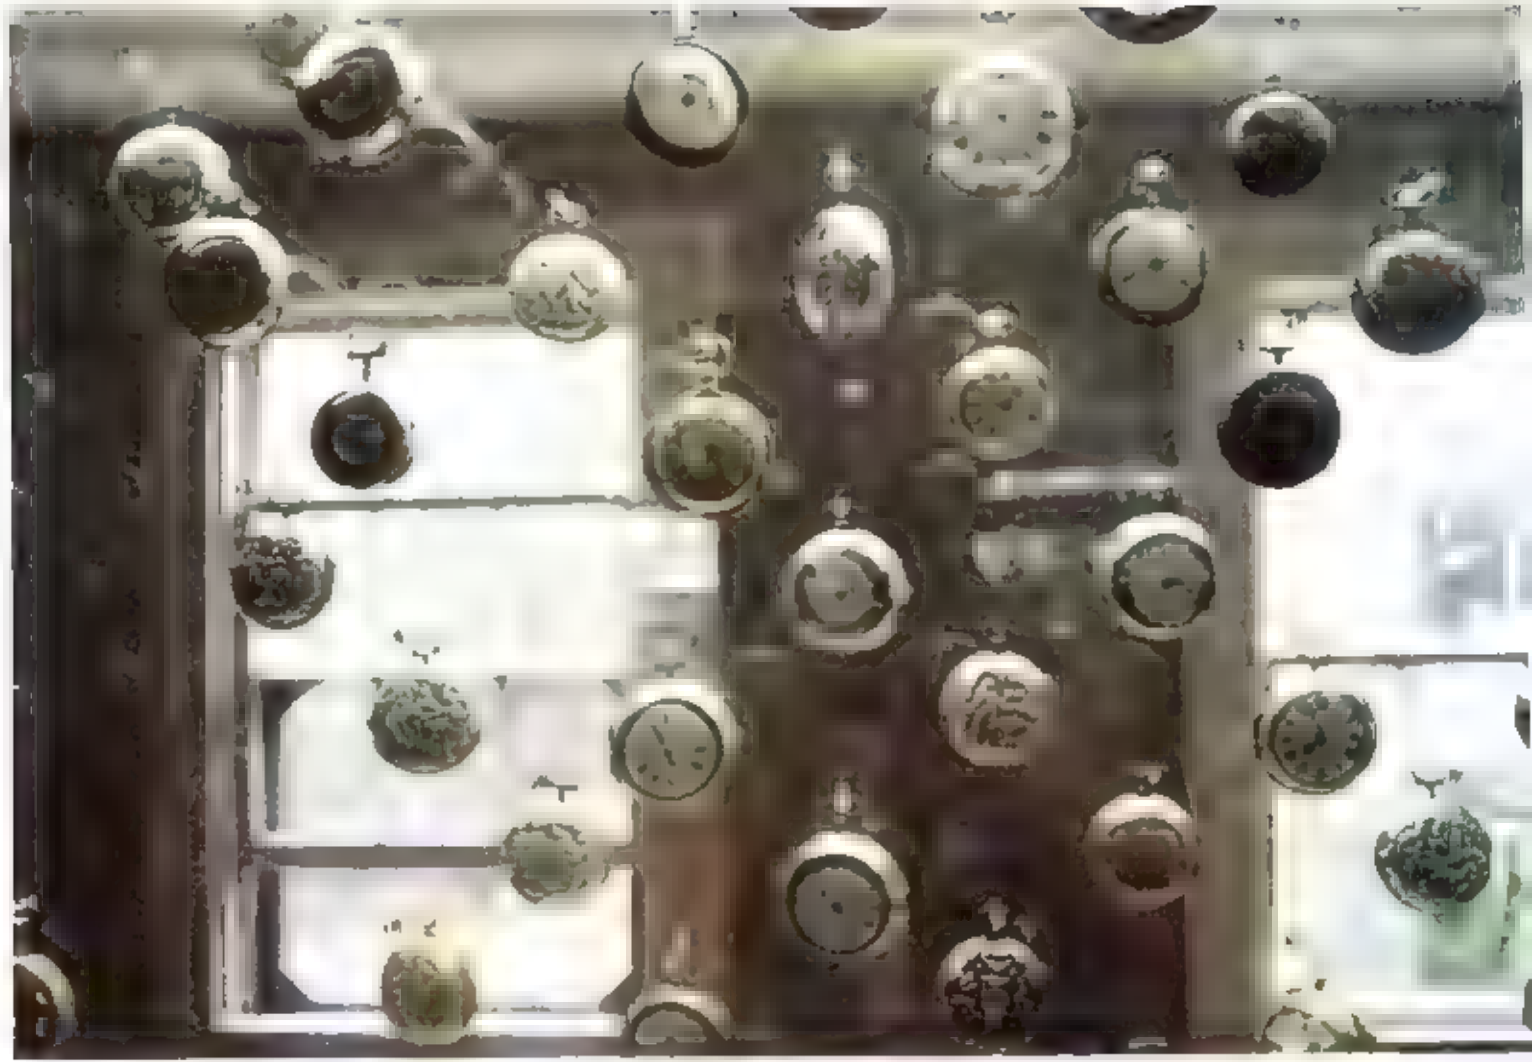

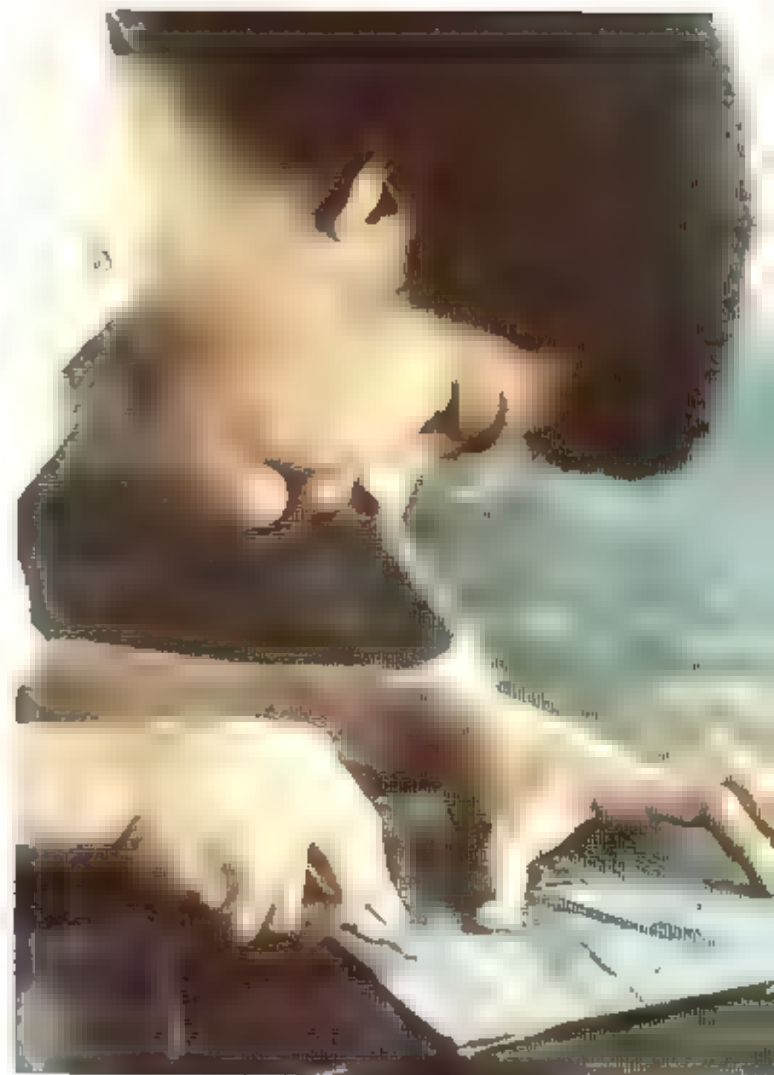

*roads have bends.*

*There's no clear cut beginnings*

*And so far, no clear ends.*

*I've found you a thousand times,*

*I guess you've done the same;*

*But then we lose each other,*

*It's just like a children's game.*

*As I find you here again,*

*A thought runs through my mind:*

*Our lives are  
like a circle,*

*Let's go 'round*

*One more time*

## *That Man Is a Success*

who has lived well,  
laughed often and loved much,

who has gained the respect  
of intelligent men  
and the love of children

who has filled his niche  
and accomplished his task,

who leaves the world better  
than he found it,  
whether by an improved poppy,  
a perfect poem  
or a rescued soul;

who never lacked appreciation  
of earth's beauty  
or failed to express it;

who looked for the best in others  
and gave the best he had.

*"You give but little when you give of your possessions.  
It is when you give of yourself that you truly give.  
For what are your possessions but things you keep and  
guard for fear you may need them tomorrow?"*

*There are those who give little of the much which they have-  
and they give it for recognition and their hidden desire  
makes their gifts unwholesome.*

*And there are those who have little and give it all.  
These are the believers in life and the bounty of life,  
and their coffer is never empty.*

*There are those who give with joy and that joy is their  
reward"*

*Kahlil Gibran- THE PROPHET*

*The entire student body and faculty will always remember  
Miss Fernandez as a genuine person, and a true believer in life  
who always gave of herself, and was well rewarded with joy.*

*Freshmen*

*In the Beginning,  
God created all there was . . .  
The earth and the sky,  
The sun and the moon . . .  
The firmament and the seas . . .  
The things that walked upon  
the land, swam beneath the  
sea, and flew in the vast  
blue above . . .  
He created man . . .  
And all was fresh and new . . .*

*Then He rested . . .*

*He smiled at the newness of  
Beginnings-*

*But He needed one more thing  
to give dawn to what  
was to become . . .*

## *Snow Delays Start*

Due to the @%†!+\$?&\*(&/%+\$)!! snow, the spring sports season was delayed in opening. The baseball, softball, and tennis teams were forced indoors. As for the track teams, well, they run in almost anything. Anyway, the point being made here is that due to both the weather and publisher's deadlines, we are forced to print a skeleton of a spring sports section. Team pictures were not possible in some cases, because the coaches had not yet been able to get their teams outdoors. We would like to apologize to those athletes and coaches involved.

## Director's Message

Question: When is a senior play not a senior play? Answer: When it's 1978 and the show gets "Snow Stormed" two out of three performances. . .

When there is a junior in the cast . .

When it is three plays instead of one . .

When the senior play becomes the senior show . . . SHA . . . MU . . . CO

Question: Are senior plays old fashioned?

Answer: No. When you have a group of highly motivated seniors who plan to be performers and who have demonstrated their desire by taking three of four years of performance courses—in school and out.

Answer: Yes. When someone just wants to continue a tradition and do light headed/hearted material year after year.

Answer: No. When good substantial plays can be produced with an audience eager to see performances even if they don't make them laugh all the time.

In other words, a senior play is a senior play when you have the class of 1978 with the good sense and enthusiasm to do good theatre and draw an audience that people said it would never find.

Congratulations '78

#### A Senior Is.

The student that has finally arrived at his last year in high school

The student who is on the brink of a new milestone for his life.

The student who has hopefully broadened his knowledge.

## *Betsy Antinori*

Betsy Antinori is a rare combination of the athletic and academic at N. B. H. S. As editor-in-chief of *Prelude '78*, Betsy has had her hands full, but not too full to continue playing on the girl's basketball squad. Betsy is also a member of the Russian Honor Society, president of the

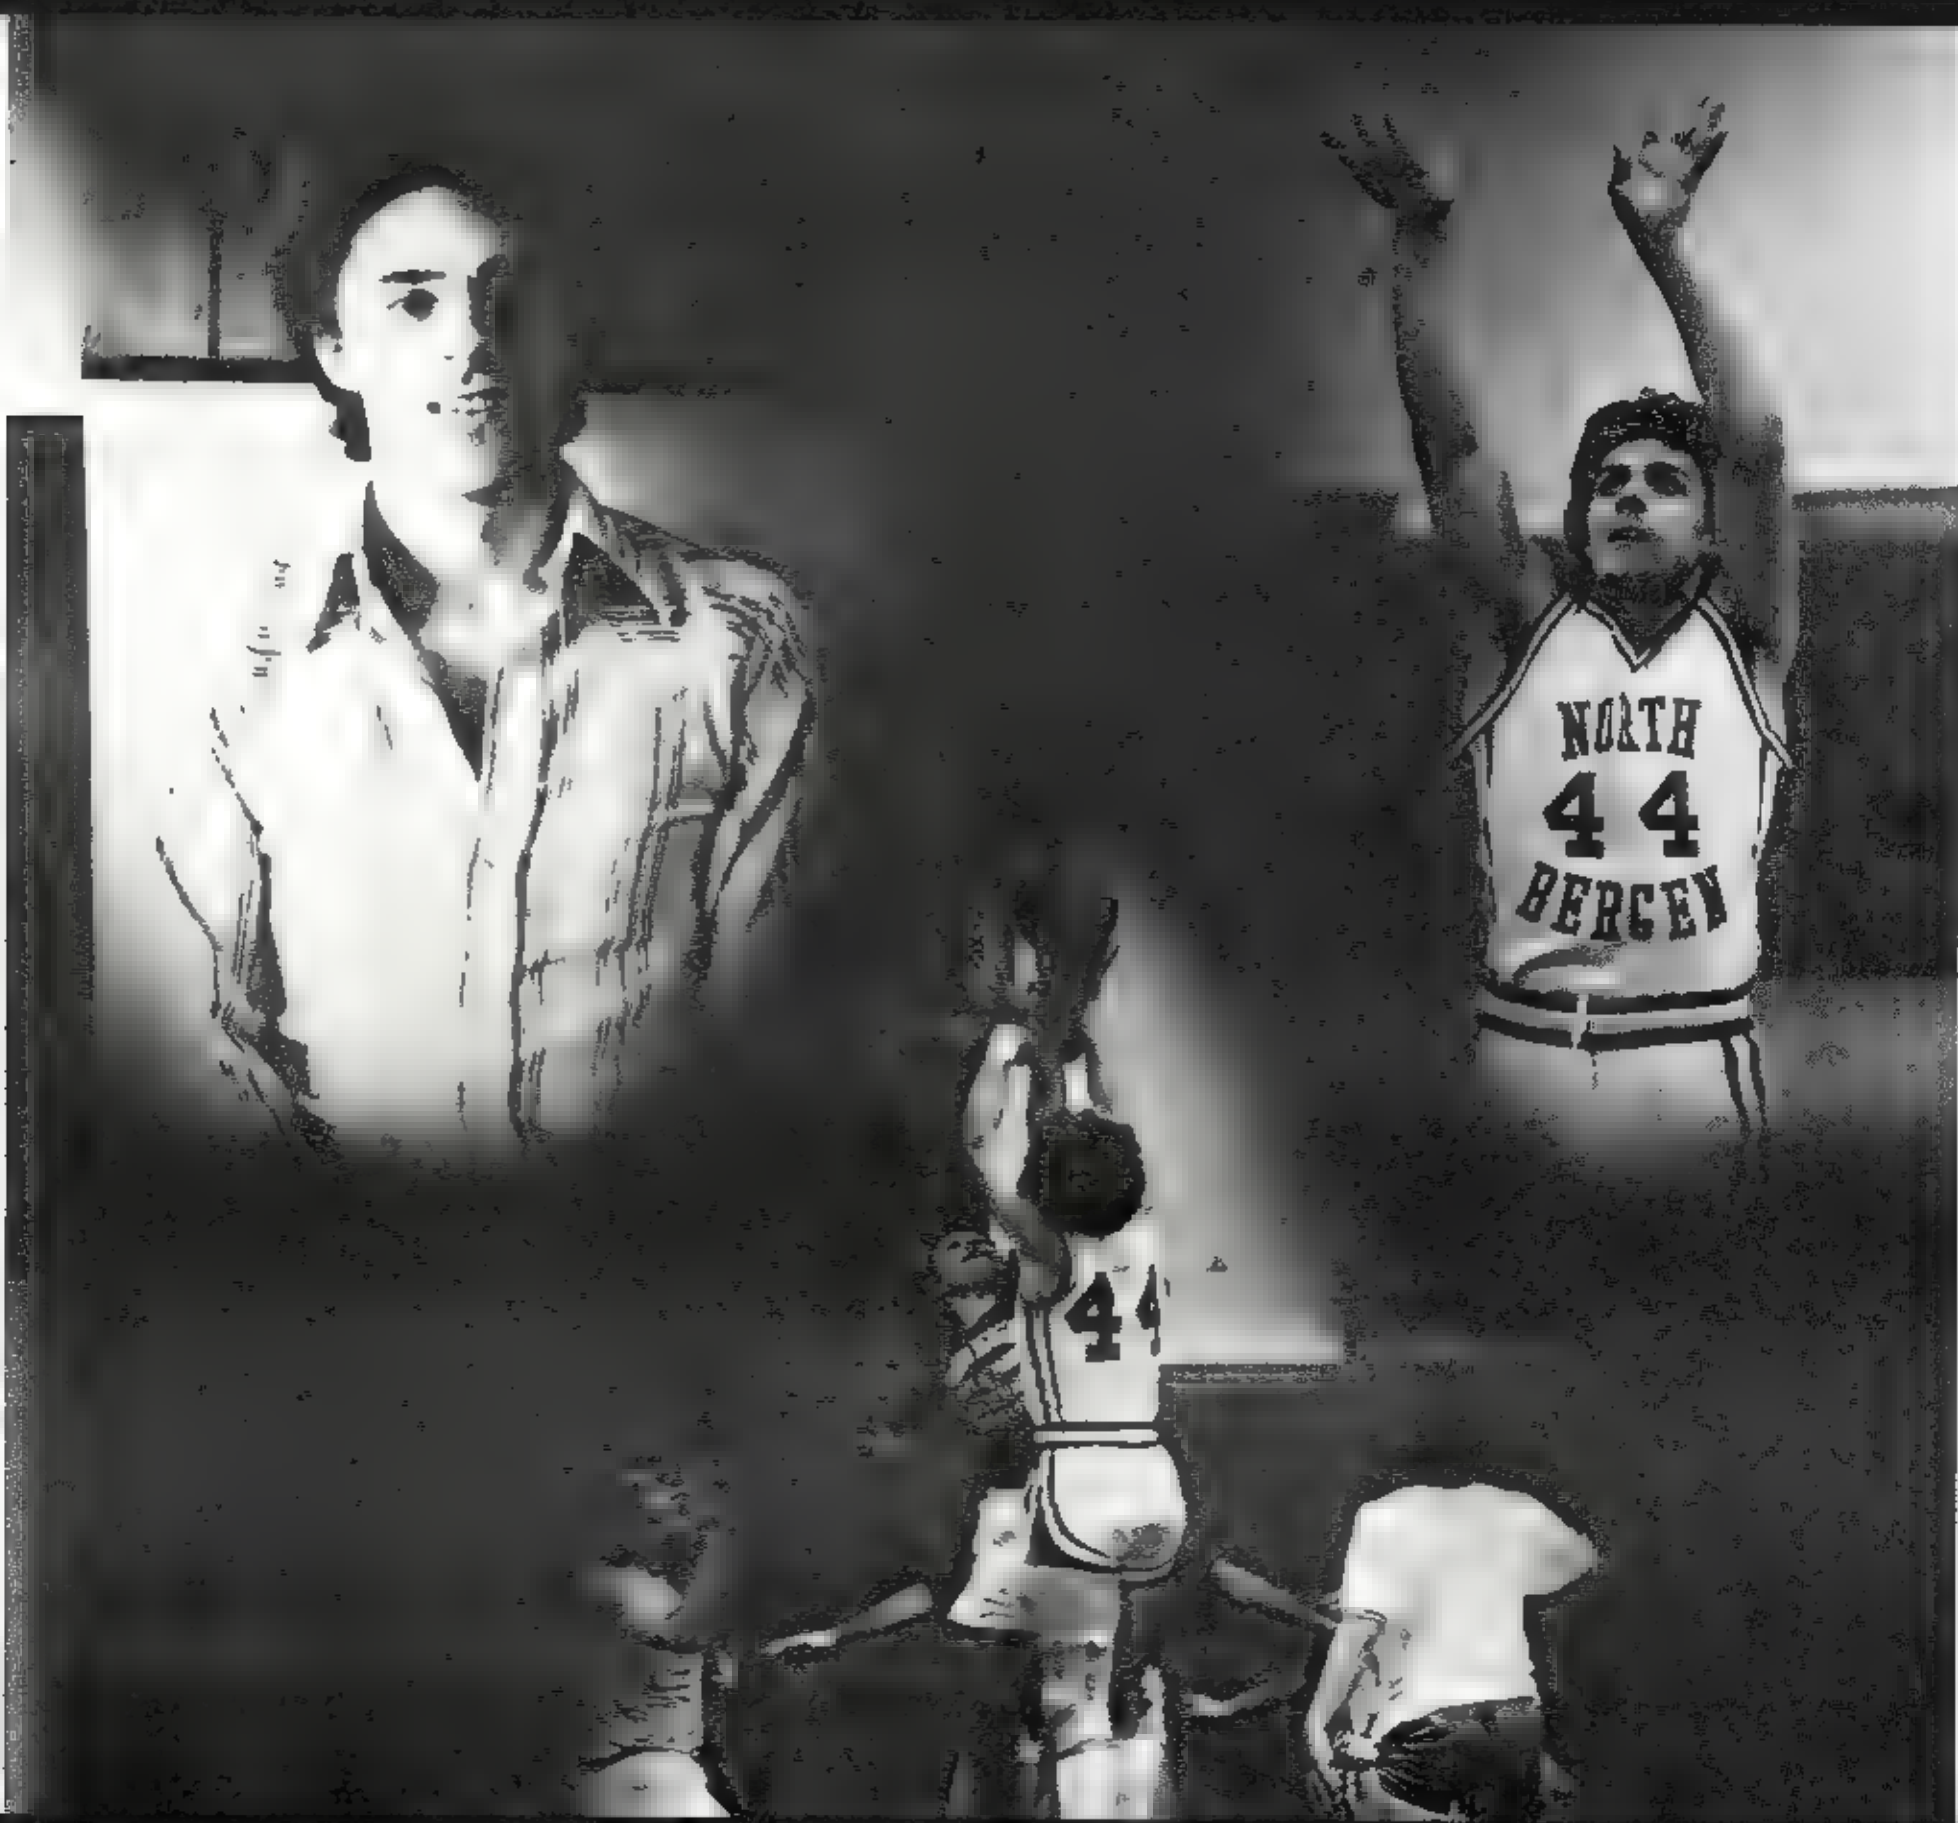

National Honor Society, and is on the executive board of the Student Council; all of which have contributed to her top ten rank position. Betsy plans to attend college and then law school, working towards a career in government

## *Lee Argush*

Class valedictorian Lee Argush is not only recognized for his scholastic abilities by the school administrators but also by his fellow seniors, who voted him "Most Likely to Succeed" in the Senior Poll. Although he is rather subdued in the classroom, Lee explodes on the wrestling mats like a

keg of gunpowder and was the only member of the varsity squad to attain the high title of Regional Champion. Between time in the gym and classroom Lee also finds time to participate in the Key Club, and is a member of the National Honor and Russian Honor societies.

## *Danny Callandrillo*

Danny Callandrillo is a one-man basketball team, his movements are timed to the bounce of the basketball as rhythmically as the dancer's steps are to the music. Callandrillo's scoring rewrote the county's single-season

records and put Dan on top of all Hudson players, averaging 32.8 points a game. His valiant efforts on the team this year once again proved his ability as the team finished off with the North Hudson title.

## *Keith Conty*

Keith Conty, one of the stars of North Bergen's football team, has been awarded Most Valuable Player of 1978, All County Running Back, and Group IV All State Defensive End this year alone, and Best Running Back last year. The Hudson Fifth Quarter Club, Jersey Journal, Hudson

Dispatch, and the New York News and Sun have named Keith on the first team in the running back position. In addition to football, he is also a member of the Gourmet Club and is on the baseball team. Despite his athletic prowess, Keith is planning to major in Marine Biology.

## *Laura Dayley*

Laura Dayley has made her mark in speech activities at N. B. H. S. Her list of awards include those given her by the American Legion, a scholarship to St. Peter's, and those accolades that she earned as a result of competition in

national oratorical contests. Laura has also served on the Prelude staff and as a member of Student Council, the National Honor Society, and the Merit Society.

## *Joe DeRuvo*

As the only four year member of Stage Crew, Joe DeRuvo has worked behind the scenes on school musicals, plays, and other theatrical productions as the most experienced crew member. His easygoing personality and

hard working attitude have earned him the position of stage manager and also a special award at the Senior Poll in recognition of his outstanding talents backstage.

## *Josephine Lee*

Josephine Lee is not only ranked among the top ten academically at N. B. H. S. but has also placed as a finalist in the National Merit Scholarship Contest and has recently won a trip to Anaheim, California in order to present her science fair project in competition there. An important

member of the band, both in concerts and musicals, Josephine has also won a position in the New Jersey All State Band. Josephine has also been a member of the gymnastics team.

## *Kim Queren*

Kim Queren, known affectionately as "The Quimmer", has been involved in student government by working in past years as a homeroom rep and serving her senior year as class secretary. A member of the Glee Club, Kim is no stranger to school theatrical productions and can best be remembered in her starring role as Nellie Forbush in last

year's musical "South Pacific." Kim is also an important member of the editing staff of *Prelude*, and is a member of the French Club and French Honor Society, as well as treasurer of the National Honor Society and one of the top ten in rank.

## *Debbie Reynolds*

Spending one's junior and senior years as class president might be nerve wracking to some, but Debbie Reynolds has taken it all with a smile. In addition to her class duties, Debbie is also a four-year member of the majorettes squad and co-editor of Paw Prints, not to men-

tion the many other clubs and activities that she has assisted in between hours. Debbie recently made her stage debut in the Senior Performing Arts Show and proved that she could handle an audience as easily as her name would suggest.

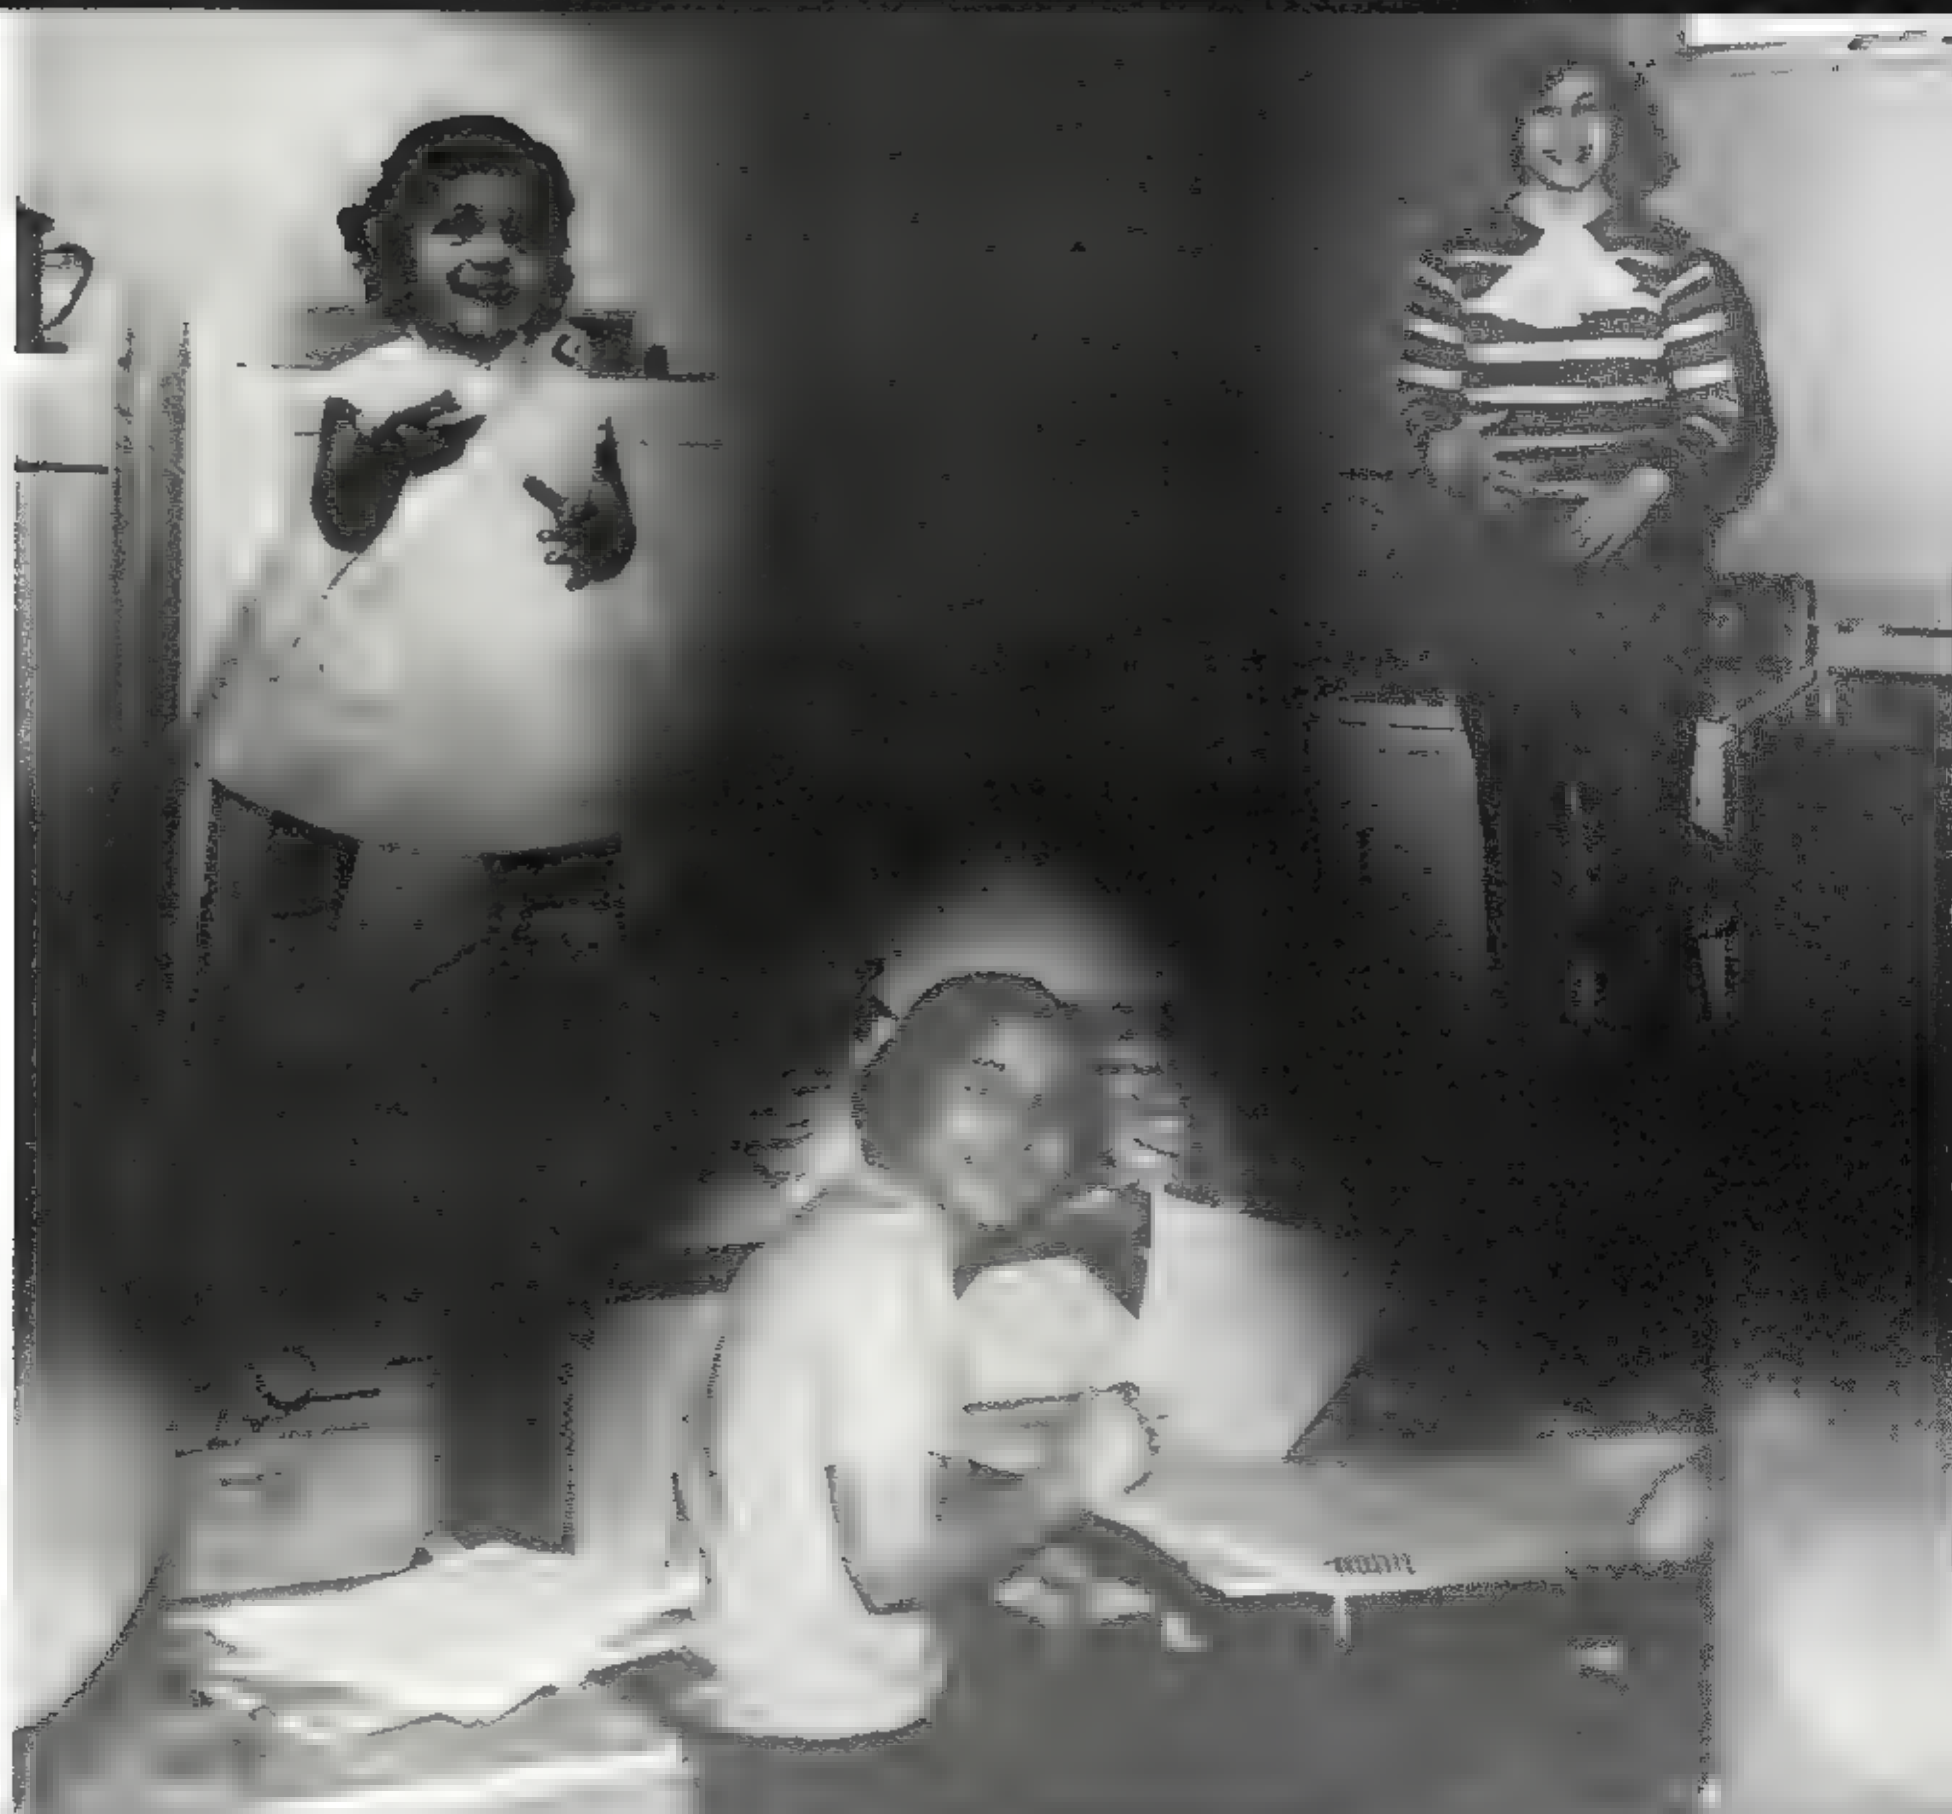

## *Rose Rinaldi*

Rose Rinaldi has performed not only in N. B. H. S. musicals and plays, but also in the choruses of Broadway productions. Facile in all areas of the performing arts, Rose is an alto member of the Glee Club and school drama

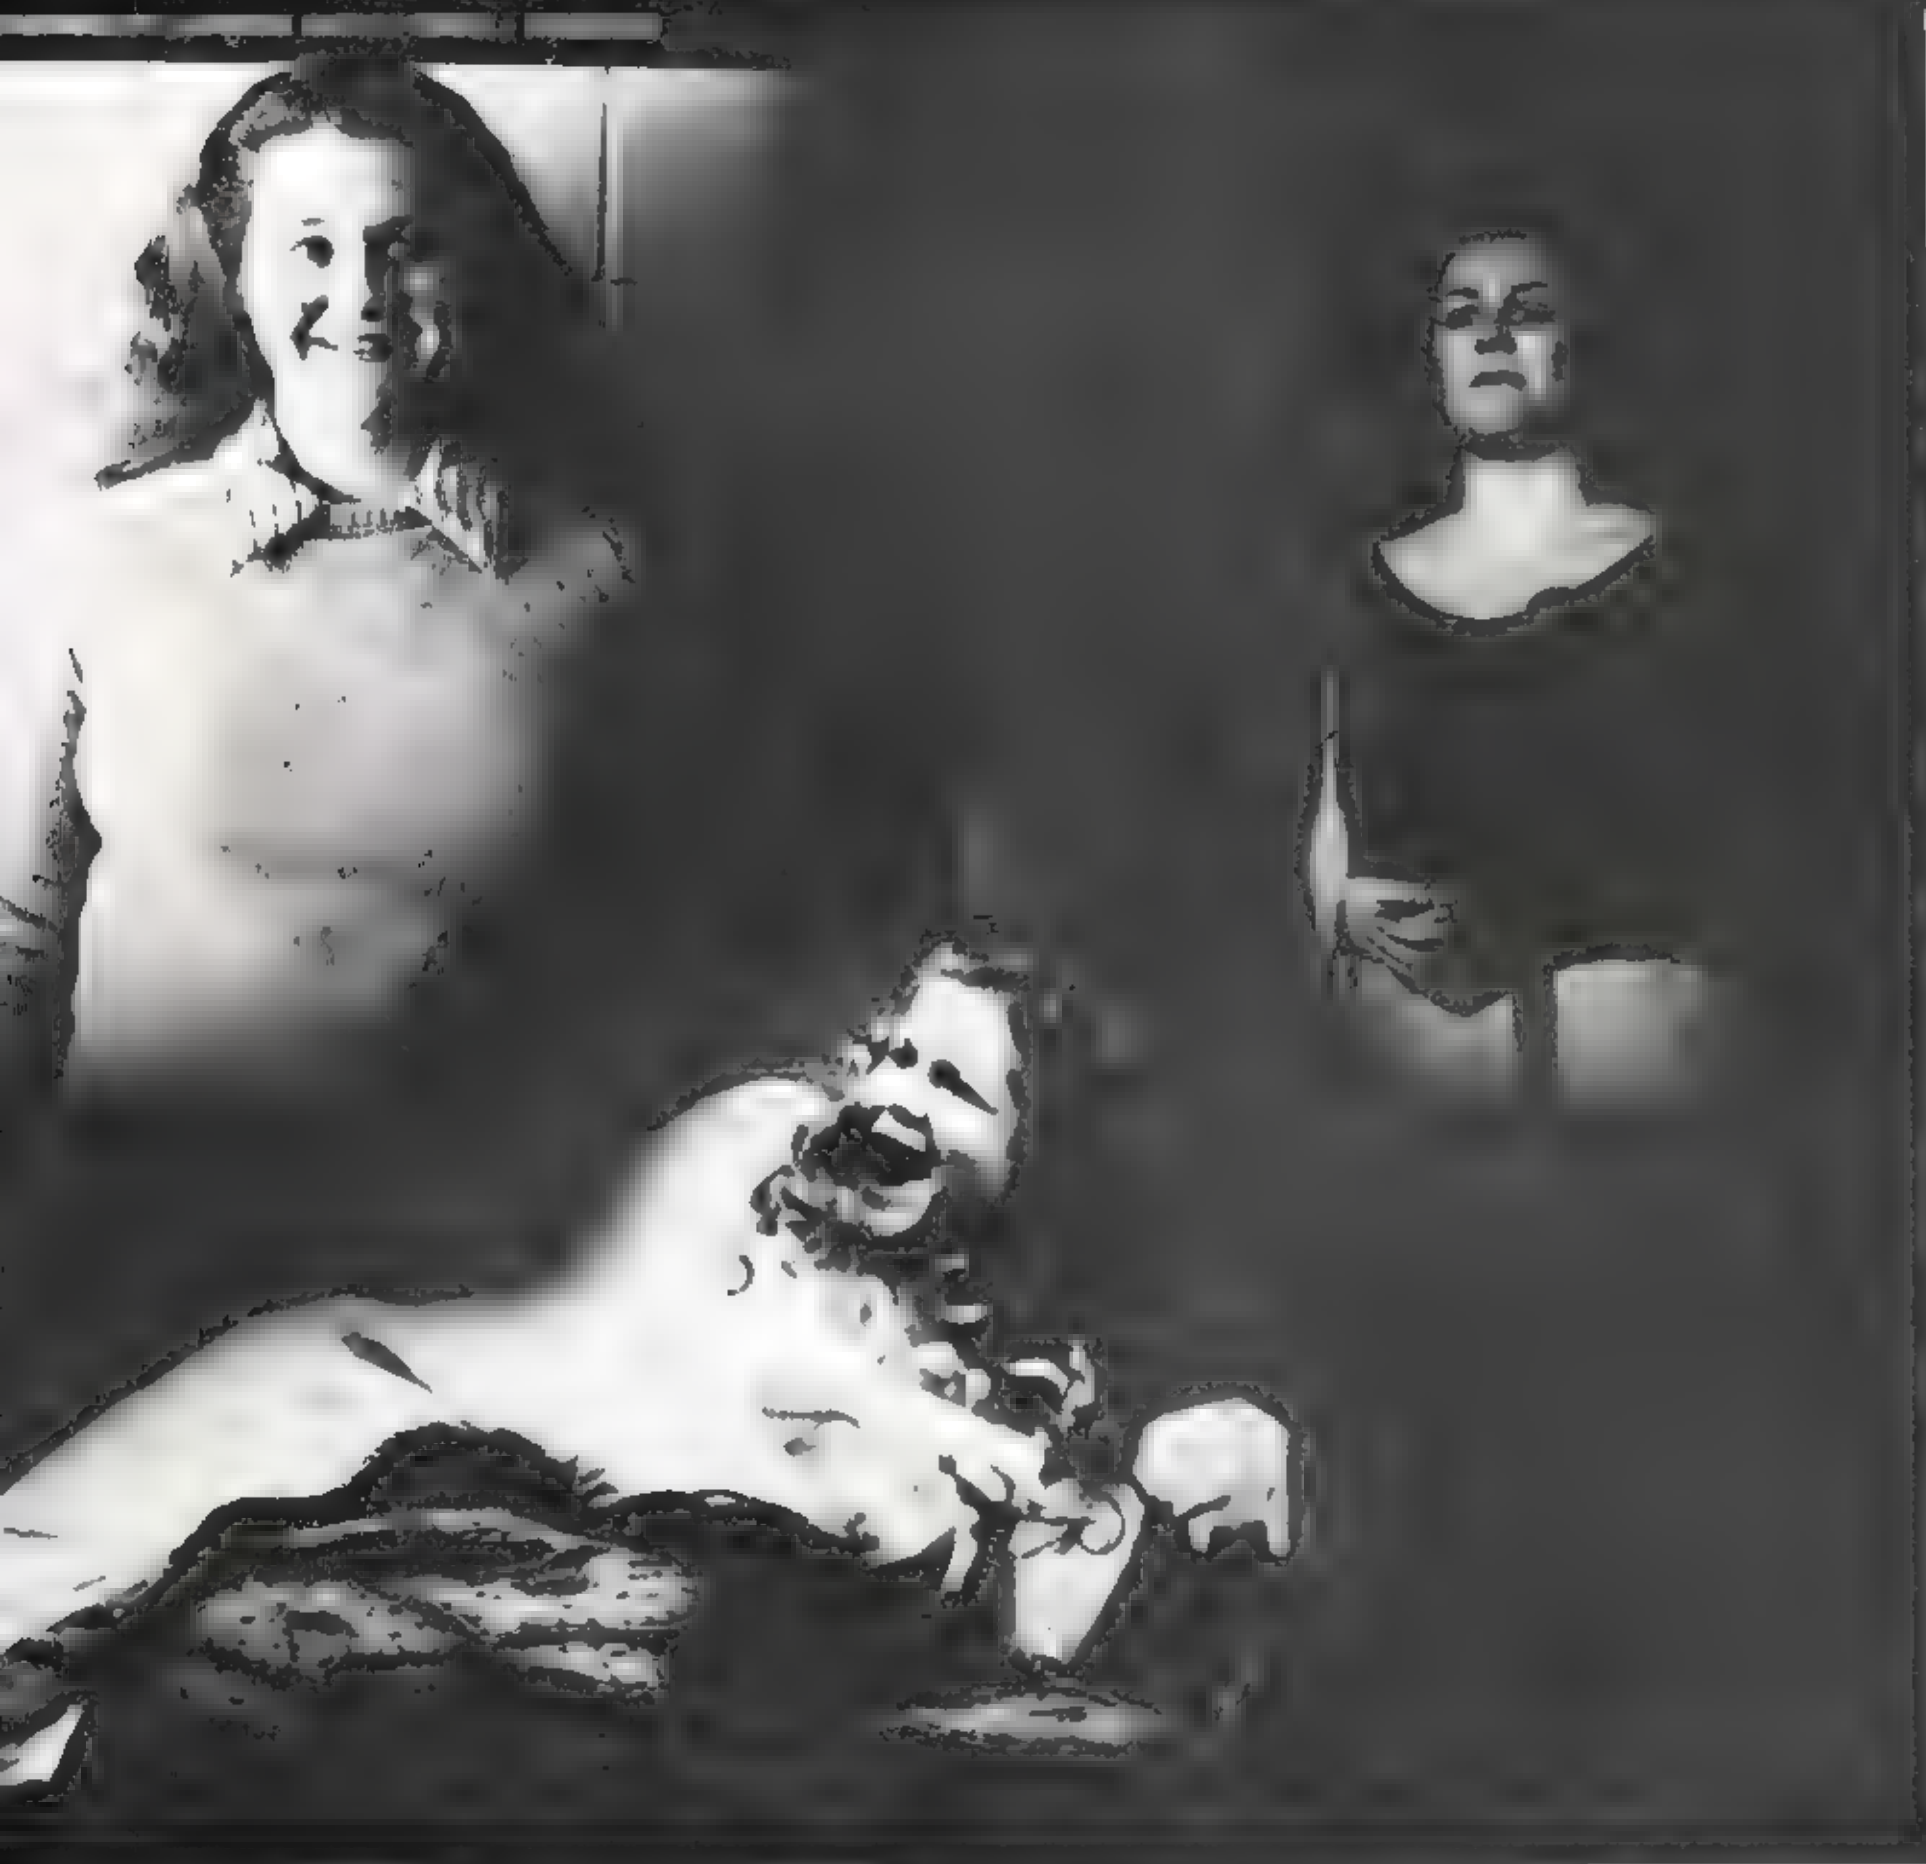

classes. Rose has worked on Prelude and the Student Council, has been active in the Girl's Service Organization, and plans to enter college with a major in drama and the field of entertainment.

## *Rosann Rovento*

Rosann Rovento's honest reputation won her the office of class treasurer three years at N. B. H. S. As a four year member of Paw Prints, Rosann worked her way up to editor in-chief and still found time for Student Council activities, not to mention her speech contest awards from

the American Veterans of Foreign Wars and Catholic War Veterans on the local and county levels. One of the top ten in rank, Rosann's altruistic attitude has led her to choose the field of social work as a career objective

## *Dianne Sidoti*

A veteran of the soprano section of the Glee Club, D'anne Sidoti continued her vocal activities this year as one of the three local winners of the Jersey City State College Vocal Competition. Dianne has also been involved in school musicals, variety shows and the Senior Play, and

also holds editing positions on the staffs of Prelude and Paw Prints. A member of Quill and Scroll, the National Honor Society, and one of the top ten in N. B. H. S. ranks, Dianne plans to continue her education majoring in communications.

## *Arthur Scotto*

Arthur Scotto's winning efforts on the high school football squad have won him positions as Lineman of the Year and All-County All-State football titles. A part of this year's state championship team, Arthur has also joined the

matmen this year and was successful in reaching the finals of the District Championships. Art is also a member of the Gourmet Club and plans to major in physical education in college.

## *Marie Soracco*

Marie Soracco, star of the girl's track team, has been setting records for four years, both around the track and on the field. Her most important accomplishments include five individual records in hurdles, the long jump, the high jump, and ten record breakers as a member of the relay team. Successively named the Dispatch and Journal Athlete of the

Week, Marie has also made the All-County team in hurdles, the long jump, and the high jump. Marie finds time in between training to belong to the Girl's Service Organization, Student Council, and Ecology Club. Marie plans to continue her education majoring in physical education.

NORTH BERGEN FEDERATION OF TEACHERS  
LOCAL 1060

NORTH BERGEN, NEW JERSEY

June, 1978

Dear Graduate

The last class is over, the last exam taken, and now you must face "the future." What that may hold is in your own hands and in your own heart.

The past, after all, is merely yesterday's gone, nonexistent except in memory. And so it is with the future, merely tomorrow's nonexistent except in your imagination and expectations. Remember that it is today—all the todays of your life—with which you must be concerned; they are the continuing reality. And what interests you "today," what you do "today," what you think and plan "today"—these are the things that really matter. These ARE your future.

Maurice Maeterlinck once wrote: "The future is a world limited by ourselves, in it we discover only what concerns us and, sometimes, by chance, what interests those whom we love the most." Isn't that a rather narrow, sad definition? But it is often true. It is easy to limit one's own horizons, and to some extent, it may be necessary; not all of us can be Leonardos. However, if you have learned anything during your twelve years of schooling, it should be that the world is wide and filled with wonders about which mankind knows only a little and is learning more and more. You are in the midst of the "knowledge explosion," and it is an exciting world in which to live and strive. It is your choice whether you burrow for cover and follow only your own confining tunnel or reach for the farthest star.

It is our hope as your teachers for the past four years that we have been able to widen your viewpoint just a little and stimulate your mind so that, at least, you are aware that star exists, ready to be discovered, wondered at, and perhaps even grasped. The world can be mundane, even ugly, or it can be as beautiful as YOU will make it. It is your future, and it is in your hands.

## *In Memoriam*

Where I lie down worn out, other men will stand young and  
fresh. By the steps I have cut they will climb; by the stairs  
that I have built they will mount. They will never know the  
name of the man who made them. As the clumsy work they  
will laugh; when the stones roll they will curse me. But they  
will mount, and on my work, they will climb, and by my  
stair . . . and no man liveth to himself, and no man dieth to  
himself.

## editors' message

Although the yearbook is actually produced by only ten or twenty people, there are many others that have helped out. In particular, we'd like to thank the following:

- the 8<sup>th</sup>, 9<sup>th</sup> & 10<sup>th</sup> period teachers on hall duty
- Nick's and Hashway's
- all of our friends who kept us sane
- anyone that we stole tape from
- the ladies in the main office who gave us lists
- the person that put "Montana doesn't exist" on our door
- Ms Kelly

And of course:

- our Hiramston representative, Mr. DeVito
- Marcel Studios, especially Joe who is definitely a wild and crazy guy
- Mr. LaMastro for his savvy with numbers
- Mr. LeRose without whose guidance and great wisdom this book would not have been impossible.

We hope that you enjoy the book now and that in the future it will remind you of all our fun times in NBHS.

Hi-ho

Betsy & Diane
